

In addition to Postcards, **BUSINESS CARDS** will be used to help **Secure Elections**; and, **Ban DEI Programs** by protest and litigation.

Information is available at Voter [Integrity](#), and [DEI](#) Litigation sections.

Business Cards to help secure Elections will be distributed by MAGA's "[FRAUD WATCH](#)" volunteers, working as 3-person teams, 24/7, to support the *Protect The Vote* project.

The teams will have 2-persons surveying — 1 with a phone recording, and the other acting as the spokesperson (2 are required for Treason). The 3rd person will be the "cop" of the team to investigate suspicious activities, which may require making a Citizen's Arrest.

Voter Fraud is a Capital Crime, and citizens have the right to investigate, and incarcerate, offenders.

Business Cards will be given to persons at Polling locations, Tabulation Centers, Drop Boxes, Transportation facilities (i.e. Post Offices), to encourage routine surveillance, and build relationships supportive of Voter Integrity.

Business Cards are Actual Sizes.
